

Introducing the Lucy Hanes Trail

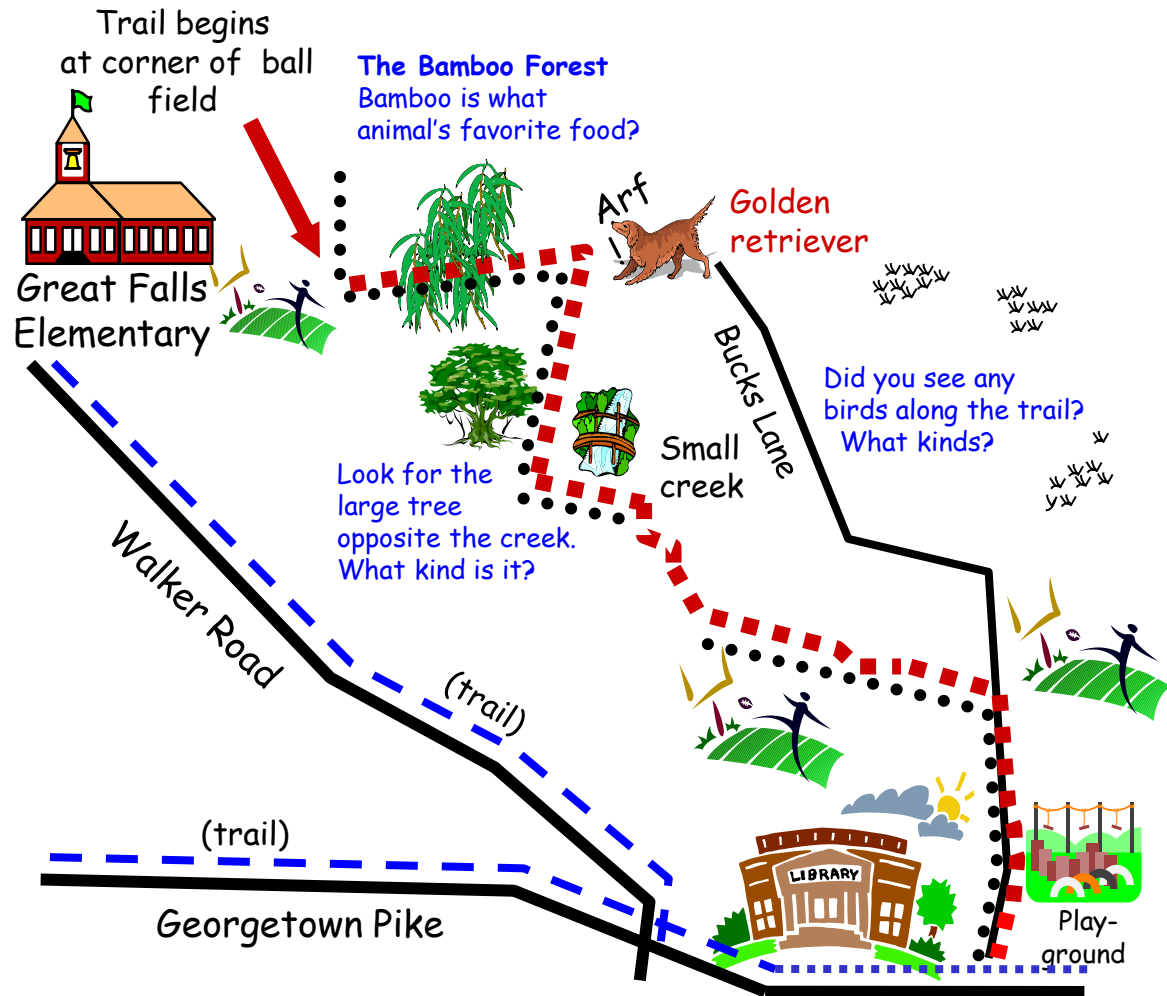

The Lucy Hanes Trail makes it easy for children to go from the school to the library. Wouldn't it be great if there were trails all around town so kids (and Mom and Dad, too!) could visit friends, jog or ride a bike?

The Great Falls Trail Blazers is working to do just that. If you want to help make these trails a reality or just want more information, visit our website at

www.greatfallstrailblazers.org
